

**UNBEATEN PINTOS ON TOP**

With Ray Allen striking out 17 men and allowing only three hits, Pintos maintained their unbeaten record in the Pacific-Riviera Pony baseball league at Kissel field by downing the Broncos 8-3. They also defeated the Mustangs earlier in the week 7-5 on home runs by Tim Fitzpatrick and Ray Allen. Harbor Savings Roans won from the Colts 5-4 but ran up against the last place Wranglers and took a 9-2 lacing. Greg Reddicks homered for the winners. Colts won their other game 7-5 with the aid of a homer by Darrel Kirkuff. Taylor Wood collected one for the losers Broncos and the two bottom place teams Mustangs and Franglers batted to a eight inning 1-1 tie.

**ECC Chemistry Students Noted**

Chemistry honor students from El Camino College were recently featured at a meeting of the California Association of Chemistry Teachers at Cerritos College. Richard Passey, Jo Chen Vollmer, Steve Walch, Al France and Marty Ross, all members of a special honor group originated on the El Camino College campus this year, delivered talks of their research problems to the association. Passey reported on the Quantitative Determination of Sodium and Potassium, Vollmer and Welch gave joint reports on Initiating Research in Kinetics and France and Ross related findings in Hybrid Models in Organic and Inorganic Chemistry.

**Picnic Planned For June 14 by Braille Institute**

On June 14 the Braille Institute will hold its annual picnic for blind people, it was announced today. In Elysean Park, where the event will be staged through courtesy of the City Department of Recreation and Parks, the picnic area will be marked off by guide ropes, which is the only innovation that distinguishes the event from many similar outings held in the park. The group will enjoy the usual concomitants of a picnic—hot weather, cool shady trees and a lunch consisting of punch, fried chicken, potato salad, hot rolls, ice cream and coffee. There also will be entertainment, which will include a barber-shop quartet and community singing, but mainly it is a reunion of old friends, a chatting session and simply a good time. Volunteers who drive the blind to the picnic area help with the serving, but otherwise will remain in the background.
